

MEDWORKS UNCONDITIONAL CARE
COVID-19 Relief Fund

Medworks is raising funds to provide food for people in our community.

100% of the funds raised in the *Medworks Unconditional Care COVID-19 Relief Fund* will be directed to support families in need and frontline healthcare workers, while supporting local restaurants and groceries.

Medworks is teaming up with trusted partners to distribute gift cards for local restaurants to people in their neighborhoods. Partners help Medworks identify a local restaurant; Medworks purchases gift cards; and local partner distributes the gift cards to people they serve to purchase take-home food.

Medworks is committed to raising as much funding as possible for very quick distribution. If you would like to be considered as a restaurant in the *Medworks Unconditional Care COVID-19 Relief Fund*, please complete the information below and submit it to Melissa Siegel at melissa@medworksusa.org.
